

## > ABOUT

As a student in Le Moyne College's new, interdisciplinary arts administration program, your focus will be on *making art work* – providing today's artists with the framework, resources and support they need in order to create great works of art. You will learn the ins and outs of organizational planning, marketing, fundraising and much more, and will complete an internship, working alongside arts professionals and gaining hands-on experience.

### ▶ Internship Opportunities

- Redhouse Arts Center
- Finger Lakes Musical Theatre Festival

## ARTS ADMINISTRATION

LE MOYNE  
SPIRIT. INQUIRY. LEADERSHIP. JESUIT.

# making **ART** work.

“I have learned so much in Le Moyne’s arts administration program, but how to be professional while remaining my creative self probably sums it up best. The real-life experience that I have gained as an assistant curator for the Syracuse Technology Garden has been outstanding. I’ve met so many people and learned so much.”
