Lemoyne College Campus Life & Leadership

Welcome Back!

The new academic year starts next week and we are busy getting the buildings ready, training staff and planning activities for Welcome Week and beyond.

There has been a lot of construction over the summer, most notably, the renovations to Mitchell Hall. I am sure it will look as good on the inside as it does on the outside. In addition, renovation work has been done in Grewen and Science.

Campus Life has been busy housing the incoming class of 2017, transfer students and returning students, participating in the Summer Welcomes, adding additional shuttle service and working with students to improve programming at the LMC Plaza and the Campus Pub and supporting all of the summer conferences that occur on campus.

Now we are focusing our attention on the start of the new academic year and seeing all of you on campus again! Please make it a point to stop by the office, pick up the new shuttle schedule, attend the welcome week events, check-out https://Lemoyne.campusgrous.com and download the new engauge.com app so that you can be informed about all of the opportunities that we, along with LSPB, SGA and all the other student clubs have planned for you.

We have also hired new hall staff and have moved others around to best serve the needs of our residents. Please stop by and meet your Area Director when you return to campus and take a moment to meet your RA. They are here to help you make the most out your college experience.

Campus Ministry Update…

The Campus Ministry Staff is eagerly awaiting your return and invites you to participate in our weekly Sunday Liturgy. On Move In Sunday, August 25th, Mass will be available at 11 AM, however our main Mass that weekend will be the "Mass on the Grass" event starting at 7 PM outside in the grassy area between the Chapel and Reilly Hall. Bring a blanket! Mass will be followed by a Social and the Over the Heights Firework Display will begin at 9:30 PM. On Labor Day weekend, Sunday, September 1st, the normal Mass schedule will resume with Masses being offered at 11 AM & 7 PM. Music will be offered at both Masses to assist you in your prayer. Be sure to stop by the Campus Ministry Office once you are settled in for updated information on Service Opportunities, upcoming Retreats and future semester plans. The candy dish will be filled and waiting!

THERE'S AN APP FOR THAT…

Campus Life will be using two on line media sights to help keep you informed of upcoming events and to solicit student feedback. The first is Campus Groups. Campus Groups has been around for a couple of years and now has an app to make using it more convenient. We are also working on making your username and password the same as it is for your LMC account to streamline the process. Campus Groups has a great calendar feature and web sites for all of our student organizations. Get the APP and get active!

CampusGroups™

The second on-line media is Student Engauge. It's a simple, easy to use APP developed by a Le Moyne grad that will provide campus news, events and opportunities to provide feedback to Campus Life, SGA and other members of the college community. For more information go to https://studentengauge.com/.

Both APPS can be found online and are available now for download.
