Enjoy cocktails, dinner and entertainment at Le Moyne College’s Thomas J. Niland Jr. Athletic Complex

Program and presentation of the Simon Le Moyne Award
Remarks by Linda M. LeMura, Ph.D.

Entertainment by the Todd Hobin Studio Orchestra
Robert Dracker, M.D., M.H.A., M.B.A., C.P.I., has dedicated his professional life to caring for society’s most valuable and vulnerable citizens – its children. Dr. Dracker is the founder and medical director of Summerwood Pediatrics and Infusacare Medical Services, and chief of pediatrics at University Hospital at Community General in Syracuse, N.Y. In both of those roles, he is committed to providing his patients with quality, compassionate care. He has been honored for his work with numerous awards, including the Onondaga County Medical Society Alliance’s Doctor’s Day Award, and has been named one of America’s Top Pediatricians multiple times.

Dr. Dracker exemplifies service to Le Moyne, to the Greater Syracuse community, and beyond. He serves on the College’s Board of Regents. He is also an adjunct professor in the Department of Physician Assistant Studies, and has been instrumental in placing second-year physician assistant studies students in pediatric clinical rotations. In addition, he and his wife, Maria, generously funded the Non-embryonic Stem Cell Lab in the College’s new science complex. Dr. Dracker is also involved with numerous Syracuse area nonprofit organizations, including Joseph’s House for Women, WCNY, Multiple Sclerosis Resources of CNY, and Francis House. His service to others goes beyond our region, as he traveled to Haiti to provide medical care to residents following the 2010 earthquake.
Well respected by his peers, Dr. Dracker served as the president of the Onondaga County Medical Society from November 2009 through November 2010. Today he serves on the Pediatric Advisory Committee of the Food and Drug Administration, and as an advisor to several other medical groups. He is also a guest columnist in area publications and a local expert for television news programs. Earlier in his career, Dr. Dracker served as the medical director of the Transfusion Medicine Service at University Hospital. His interest in health care ranges from the actual practice of medicine to optimum management of medical services in this dynamic environment.

A native of Queens, N.Y., Dr. Dracker earned his bachelor’s degree in biology from New York University, graduating Phi Beta Kappa, and his medical degree from the SUNY Health Science Center at Syracuse, where he graduated with Alpha Omega Alpha honors. He later obtained a master’s degree in health services management from the New School for Social Research and a master’s degree in business administration from Columbia College.
Please print the names of those who will be seated at your table exactly as you wish them to appear in the seating chart. Include company affiliation and class year, if applicable.
