Our Commitment

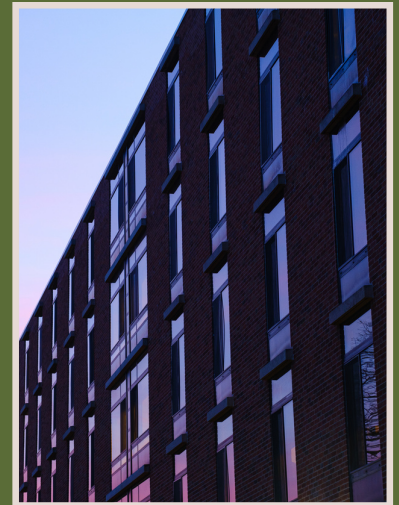

Live with people who get it!

Here at Le Moyne we understand how hard it can be to adjust to a new school. To make your transition as smooth as possible we have set aside housing with transfer students in mind!

Wherever you're from, we hope you feel at home here!

Harrison Hall

A pod style co-educational building of ~260 students of all ages. We have set aside half of a women's pod and half of a men's pod on the 6th floor just for transfers! Students will also have 2 RAs, including a new transfer student!

Townhouse & House

A housing option for our Juniors & Seniors. We have set aside one 6-person townhouse and a 3-person house just for transfers! Both come fully furnished with a full kitchen and 1-3 full bathrooms.
