

# PHYSICIAN ASSISTANT STUDIES PRECEPTOR QUICK FACTS

➤ In the midst of a progressing shortage of workers in the U.S. health care industry, Mercer's 2021 Healthcare Labor Market Analysis projects that if U.S. workforce trends continue "more than 6.5 million health care professionals will permanently leave their positions by 2026, while only 1.9 million will step in to replace them." ***Investing in the educational development of the next generation of practitioners is among one of the most important and significant steps that employers can take to combat the current staffing crisis in the U.S.***

## BENEFITS

- ▶ Recruit talented Le Moyne graduates to your organization
- ▶ Receive invitations to professional development programs and networking events
- ▶ Become eligible for CME depending on professional affiliation
- ▶ Bring new energy and enthusiasm to an organization
- ▶ Address the national health care employee shortage
- ▶ Access free training modules to support your success as a preceptor
- ▶ Work together toward the common good

## DID YOU KNOW?

### LE MOYNE PA STUDENTS...

- ▶ Carry malpractice insurance
- ▶ Can document or dictate appropriate notes to be reviewed and verified by the preceptor
- ▶ Can interview patients and obtain medical history
- ▶ Can perform physical examinations and various procedures
- ▶ Apply evidence-based medicine to patient care

"Some people will tell you having PA students can slow you down. I work in an extremely busy urgent care which has seen numbers double and even triple at times, so I actually use PA students to help me be more efficient. They're very valuable in obtaining histories and performing procedures such as suturing, so if they're used correctly, they can help with efficiency."

- Le Moyne Preceptor

## STEPS

1. Complete New Preceptor Form
2. Undergo site review from Le Moyne College team
3. Establish affiliation agreement
4. Accept your first student
5. Annually sign up for preferred rotation dates
