STEP

Here's what's happened this summer!

Meet the New STEP Academic Coordinator:

Mu Lah Hser

Mu Lah is an alumna of Nottingham High School. After graduating college, she worked with Educational Opportunity Program (EOP) at Binghamton University to support unrepresented scholars pursuing higher education. She enjoys connecting students to resources in the classroom and within the community.

STEP Summer Academy

This summer STEP hosted 17 students on campus at Romero Hall for STEP Summer Academy.

Students worked with Labcorp to explore Medical Laboratory careers, and even got to tour the lab!

STEP Summer Academy visited 3 colleges, Syracuse University, SUNY Binghamton, and SUNY Broome Community College.

College and Career exposure at a young age plays a crucial role in students' personal and professional endeavors.
